

Conservation Commission Meeting

July 11, 2011

In attendance:

Stacy Parsons (Chairing)

Jack Hickey

Joe Trybus

*No public hearings requested for tonight.

7:30 pm

Other Business:

- Discussed work at No Namie Trailer Park, Fran Kelly. Received copy of BOH order to demolish a cottage. S. Parsons called both Ed Fahey, BOH Agent, and Building Inspector to make sure all parties were aware she was all set with Conservation. Work is being completed under an emergency permit. S. Parsons will arrange a site visit to inspect that work was completed in compliance with the Emergency Permit.
- Discussed complaint re: 69 Swamp Road that was forwarded from DEP. Will send information to the home owner. No further action being taken at this time.
- Received request for a Certificate of Compliance for 35 Williamstown Road. Will review the previous filings and consult with Planning Board before issuing.
- Reviewed budget statements. Request for transfer to cover cost of MACC annual dues submitted to the Finance Committee and pending review. Also approved payment of BCAP invoice totally \$1020.77 for project review of 77 Baker Street.
- Received notice of 2011 Yearly Operational Plan for MA Municipal Wholesale Electric Company which includes notice of the intent to use herbicides, copy of YOP, and copy of site plans.
- Received Yearly Operational Plan public notice for the Tennessee Gas Pipeline. Link to the plan posted on the Conservation Commission web page.
- Received copy of letter from SK Design alerting D. Condon to possible violations of the Wetlands Protection Act on Condon property that extends into the eastern edge of the Petricca property. No further Conservation Commission action being taken at this time.
- Reviewed concern raised by Condon regarding runoff from the Mall Road, near Rita Marie's. Area was supposed to be rip rapped by the Mall. Will re-check site on Sunday morning.
- S. Parsons and J. Trybus will do a site visit to the Route 8 side of Mall Road in regards to a concern raised by Mark Siegars for the Mall regarding runoff from Petricca property in Pittsfield impacting the storm drainage system where the road meets the bike path.
- J. Trybus reviewed information received from J. Boleng regarding his concerns about work on the Barton property. No further Conservation Commission action being taken.
- Received copy of ZBA decision regarding 29 Profile Street and 135 Prospect Street.
- Received copy of Planning Board meeting notice regarding 135 Prospect Street.
- Received copy of Hazard Mitigation Grant Application. Grant applications are due by 11/4/11.
- Received monitoring reports from WMECO Partridge Road Substation Distribution Line project dated May 3, 2011 and June 3, 2011.

- Received Water Quality Certification permit with project narrative for replacement of the bridge on Bridge Street.
- Received request for information from Building Inspector regarding fill being brought in at the end of Narragansett. Will call him to discuss.
- Discussed snow disposal concerns raised this winter. S. Parsons will follow up with P. Beaudreau.
- Discussed proposed joint meeting with Pittsfield Conservation regarding deep drawdown. Meeting is likely to be posted in late August.
- General mail

Adjourned 8:30 pm
